

## Snowman directions—NAC

1. Go to the shapes and choose the circle and put it about in the middle. 2 inches wide.
2. The outline is a light red really skinny and the fill is a lime green.
3. Go to the shapes again and choose the square and put it on top of the circle and it should be an inch in a half.
4. Then go to stamps and get the face that has a straight line for a mouth. Put it on top of the square. 1 inch. Only lime green.
5. Go to the pencil and the color is red. Then draw a top hat on top of the head. Color it in with a pencil colored red.
6. In pencil in brown make wriggly arms at the middle end of the square, medium size. Make two lines at each end at the top of the arm, make two lines that go in then out.
7. Go to the other arm and do the same, both arms kind of skinny.
8. Then go to the pencil in an icy blue color and draw an eight pointed star, two by one arm and two by the other arm.
9. Make a eight pointed star at one side of the head and one at the other side of the head, you are done.
